

XB RECRUIT:

EXPERIENCE THE POWER

OF PURPOSEFUL SELECTION AND DEVELOPMENT

The XB Assessment Platform delivers actionable insights across every stage of the employee lifecycle – seamlessly transitioning from selection and onboarding through development and succession planning.

Develops skilled and visionary leaders.

Builds cohesive enterprise and senior-level teams.

FEATURES OF THE XB PLATFORM

FULLY CUSTOMIZED

Our system is not an “off-the-shelf” product. Our talent assessments are custom benchmarked by specific jobs, job categories, and industries.

VALIDATED, RELATABLE, AND SECURE

Our system combines the best of science, technology and expertise from the most experienced minds in the assessment field. We integrate and validate a deep, broad database of indicators across industries, jobs and job types annually.

A BETTER CANDIDATE EXPERIENCE

Seamlessly delivers a user-friendly assessment to candidates via the device of their choosing.
